DR. C. J. MOFFETT, St. Louis, Mo.—I can truly say that your Teethina is the greatest blessing to teething children that the world has ever known. I have used it two years, and do not like to be without a box all the time. My baby would hardly have lived through his second summer if I had not used your powders. He is now strong and well, and has all his teeth. I never allow an opportunity to pass without recommending Teethina to mothers. May God reward you for the good you have done teething babies through this remedy. Respectfully, MRS. A. G. RUSSELL.
